5 Things to PRAY Everyday

1. Wisdom

Ask God to give you wisdom to know how to talk with people.

2. Favor

Men in the bible had favor with God and man. When you have favor people will open up to you.

3. Salvation and Deliverance

Sin holds people captive and the god of this world blinds them to the things of God. Prayer can open their eyes.

4. Spiritual Awakening

It is almost impossible to talk to someone about spiritual things if their spirit is not hungry.

5. Breakthrough

Pushing beyond the BOX of LIFE!

3-D LIVING

When you think 3D you think about something coming off the page or the screen, right where you are.

1. Dare to step out

Make a connection with people. Get over the fear of what may happen, and get the excitement of what may happen.

2. Develop a friendship

Get to know people on an ongoing basis. Jesus was known as a friend to sinners before he was their Savior.

3. Discern the next step

Feel out when and how to help them get closer to God. When you talk about God, the Bible or church are they responding with hunger or apprehension? Don't force, flow!

The 3 E's of Evangelism

Evangelism - the spreading of the Christian gospel by public preaching or personal witness; a zealous advocate for a cause.

1. Every-Day

Evangelism must never be put off until tomorrow, for today is the day of salvation.

2. Every-Where

Evangelism must be everywhere we go. In the bible they evangelized in the church, streets, deserts, in there home, etc.

3. Every-One

Evangelism must be all inclusive! Jesus died for all, so we are to preach the gospel to every-creature. All people deserve to hear the gospel.

HAVE A HEART FOR PEOPLE

Invite the people that God has put in your life to a bible study at your house. That's it! Give them an invite with the info on it and we will provide the teacher. The more you invite the more will show up :0)

OPEN YOUR HOME

Your home is a safe place for you, your family and your friends. This can also be done at your place of business. We have many groups that get together an hour before work. It is awesome!

SERVE SOME REFRESHMENTS

All the way through the bible, the word of God has been discussed with breaking bread, so get a soda and a bag of chips or whatever you would like to serve that is simple.

TURN IT OVER TO THE TEACHER

You do not have to be the teacher, just the HOST. A qualified teacher from the pastor's staff or one of our trained bible study teachers will make you feel so good about having your friends and family there. There will be no pushing of a denomination, just simply the word of God. You will love the fact that you helped make it possible.
